

*Thar's gold in them hills of Western North Carolina! A lode was found out thar - we call it the Fletcher lode - and that's great, but we're gettin' tired of livin' in tents and mud out thar and it's not easy - or safe - takin' time away from minin' to bring our gold to the nearest town to be weighed. So we're lookin' to build a new town here near the lode. A bunch of us are gettin' together to work on it.*

*We know where we'll start - with a saloon where we can wet our whistle or buy a bath! Maybe play some cards or meet some purty ladies while we're there. Yup, a saloon, that's the most important place to start. Maybe a General Store too, so we can get some supplies local like. And definitely a place to weigh our gold so we don't have to risk being robbed on our way to the nearest town. Maybe a Meetin' House where we can hold our services. We could put a 2<sup>nd</sup> floor in where the pastor could live.*

*So hurry to Fletcher, NC to be part of the plan! We've done a lot of talkin' over the drinks, it's time to get to work. We're startin' on:*

**Saturday, May 4, 2019, at 9:00 a.m., at the Calvary Episcopal Church thar at 2840 Hendersonville Rd, you know, thar at the co'ner of Old Airport Rd, in Fletcher**

*It's across from the Ingles Market and gas station. Don't know whar they did come up with those names - what's an old airport and what's a gas station? But those crazy names make it easier to find our meetin' place. We should be done by 4 p.m. and we'll be a feedin' y'all some lunch and snacks. Lots of work but lots of fun doin' it together!*

*Ya need to let us know if yur fixin' to come by sendin' in the paper we've added. Since we'll all be together don't forget to bring those things yur wantin' to trade, sell or just show off. Ante up \$65 to be dealt into the fun!*

*Once yur signed up we'll send ya directions and a list of places ya can bunk if ya want to make a weekend of it. Thar's lots to see and do in these mountains!*
