

# NAME e-3 REGIONAL NEWSLETTER

SUMMER 2018

<http://e3.miniatures.org/>

## From Your RC - submitted by Lynn Frank

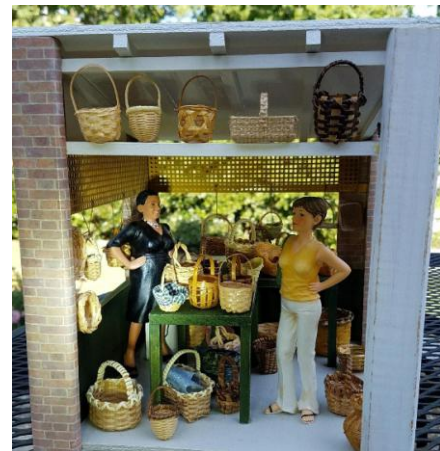

It seems like just last week when I sent out the spring newsletter and now it's time for another one. I've had a busy spring - Richard and I went on a four week trip out west, traveled 8,000 plus miles, visited over 20 National Parks and sites and traveled through a dozen states. What a beautiful part of the country and what fabulous scenery, all very different, all very memorable! Then in early June, we were in Ohio for our oldest son's wedding. Again, a very memorable event. So the time went quickly and the summer has gotten to be just as busy, not with travel but with plans for National, RC duties, and getting everything ready for the shows coming up. I'm sure each of you were just as busy! Family, jobs, and minis all take a certain amount of commitment and priority in our lives, so find your happy place and enjoy the demands of life!

Are you ready for Charleston? I know the committee is wrapping up plans and getting set to welcome everyone with "Sweet Tea and Sunshine". I wanted to get the newsletter out before the convention because of an important update - we will be having two public days this year, Saturday and Sunday! I know that the Gazette only listed Sunday but the two days were advertised in other publications so the decision was made to honor the two day schedule. We hope you can come and support NAME, the dealers, the exhibitors and the region. See more details on Public Day later in the newsletter and find a dealer list in the July/August Gazette.

We will have our regional meeting before the business meeting on Saturday morning. I hope you will plan to attend as we celebrate the past year, recognize some outstanding miniaturists in the region, and find out what is coming up in the next year. I look forward to seeing you!

We still have some kits from the E-3 Retreat - "The Charleston Gate". I will bring them to the convention and have them available at the Regional meeting.

## 'IT'S LIKE SHOPPING AT THE CHARLESTON CITY MARKET' MARKET STALL KITS - submitted by Carolyn Peck

A Fund Raiser for the NAME National Convention 2018 in Charleston, SC

The Market Stall sits on a base 8"x8" with 4 column corners supporting the roof and will fit in a basketball display case. Side panel walls, lattice, 2 tables and a printed mural similar to the City Market in Charleston are included. This kit represents one of the many stalls there, but, of course, can be adapted to many uses, your own fresh vegetable stand, your own porch or a picnic shelter, just add imagination and accessories. Oh, it is the perfect open air shop to display tote bag favors and swaps!

To order yours now, contact Carolyn Peck at [miniminded@sc.rr.com](mailto:miniminded@sc.rr.com) or call or text at 803-237-8891. Kits are \$45.00, plus shipping (Baskets, shopkeeper and customers, not included)
